IMPORTANT NOTICE TO ALL COUNSEL

Court Administration is currently in the process of automating all notices and lists pertaining to civil proceedings (Argument, Pre-Trial, Civil Non-Jury, Civil Trial and Arbitrations).

The Northampton County Court requires all counsel to formally enter and withdraw his or her appearance as defined in Local Rule N1012. The automation of these notices and lists will use the formal entry of appearance filed with the Prothonotary to notice counsel of the various events associated with the case.

Failure to personally enter an appearance on behalf of a party will not permit an automated notification to alert counsel of future events affecting a case. Conversely, failure to formally withdraw as counsel of record will have the system continue to generate unnecessary notifications to an attorney, despite not having further involvement in a case.

Your cooperation in insuring the court dockets contain accurate and current information is appreciated.
