The properties hereinbelow described will be sold at auction to the highest bidder and the purchaser of any property at such sale shall, as soon as the property is

struck down, pay to the Carbon County Tax Claim Bureau the entire purchase price. In case said amount is not so paid, the sale shall be void, and the property shall be put up again at the same sale. The lowest bid accepted will be the upset price, the approximate amount of which is set forth below. Taxes for 2019 and municipal liens are not included at this time, but will be included on the sale date.

A purchaser at sale takes only what title there is to sell and the doctrine of caveat emptor applies. The Carbon County Tax Claim Bureau, its representatives, employees and solicitor make no representations or warranties to any prospective purchasers as to the state of title. The buyer or buyers take subject to any real estate taxes, municipal liens, mortgages, federal tax liens, and other liens which are not divested by this sale.

2. A successful bidder shall be required to provide certification to the Bureau that, within the municipal jurisdiction, such person is not delinquent in paying municipal utility bills owed to municipalities within Carbon County, and

3. A successful bidder shall be required to provide certification to the Bureau that, within the municipal jurisdiction, such person is not bidding for, or acting as an agent for, a person whose landlord license has been revoked in a municipality pursuant to its ordinance.

Prospective bidders must register no later than September 13th. A \$10.00 registration fee will be charged per registration form. No registration forms will be taken the week of the sale or on the day of sale. Certification forms are available in the Tax Claim Bureau.

CARBON COUNTY LAW JOURNAL

It is strongly urged that prospective purchasers have an examination made of the title to any property in which they may be interested. Every reasonable effort has been made to keep the proceedings free from error. However, in every case, the Tax Claim Bureau is selling the taxable interest and the property is offered for sale by the Tax Claim Bureau without any guarantee or warranty whatsoever, either as to structures or lack of structures upon the land, liens, title or any other matter.
