ORDER

AND NOW, this 28th day of August, 2024, it is hereby ORDERED that:

Defendant's Motion to Dismiss is DENIED.

**Firearm Owners Against Crime, Kim Stolfer, Joshua First, and Howard Bullock v.
City of Harrisburg, Mayor Eric Papenfuse, and Police Chief Thomas Carter**

No. 2023-CV-01422

**Civil Action – Preliminary Objections/Permanent Injunction/Declaratory
Judgment**

The Court granted Plaintiffs' Motion for a Permanent Injunction as to four City of Harrisburg ordinances related to gun regulation in the City of Harrisburg. The Court found that these four ordinances were preempted by the Uniform Firearms Act (18 Pa. C.S.A. §6120). The Court also found that Plaintiffs did not have standing to challenge a fifth ordinance regarding gun regulation during certain declarations of emergency.

1. Plaintiffs brought this Declaratory Judgment Action pursuant to their claim that the Codified Ordinances of Harrisburg §§ 10-301.13 ("Parks"), 3-355.2 ("Emergency"), 3-345.4 ("Lost or Stolen"), 3-345.2 ("Discharge"), and 3-345.1("Minors") are noncompliant and preempted by the Uniform Firearms Act (UFA) at 18 P.S. § 6120.
2. Defendants initially argued that Plaintiffs had no standing to challenge the subject ordinances, but the Pennsylvania Supreme Court ultimately determined that Plaintiffs had standing to challenge the "Parks", "Lost or Stolen", "Discharge" and "Minors" Ordinances.
3. Defendants maintained their Objection that Plaintiffs had no standing to challenge the Emergency Ordinance, which was granted by the Court.
4. Upon Plaintiffs' Motion for Permanent Injunction, the Court held a Hearing and ultimately determined that the "Parks", "Lost or Stolen", "Discharge", and "Minors" ordinance were preempted by the Uniform Firearms Act based on several precedential Commonwealth Court cases.
5. The Court enjoined the City of Harrisburg from enforcing the "Parks", "Lost or Stolen", "Discharge" and "Minors" Ordinances.

MEMORANDUM OPINION

Pending before this Court are the Defendants' Preliminary Objections to Plaintiffs' Amended Complaint and Plaintiffs' Motion for Permanent Injunction.¹ The background of this case is as follows: Plaintiffs brought this Declaratory Judgment Action pursuant to their claim that the Codified Ordinances of Harrisburg §§ 10-301.13 ("Parks")², 3-355.2 ("Emergency")³,

¹ Plaintiffs filed a Preceipe to Substitute Parties on May 21, 2024. In that Preceipe, Plaintiffs moved to substitute "Firearm Owners Against Crime – Institute for Legal, Legislative, and Educational Action" for Plaintiff "Firearm Owners Against Crime" based on Pennsylvania Rule of Civil Procedure 2352. The Preceipe also substituted Michelle Stolfer as the Executrix of the Estate of Kim Stolfer for Kim Stolfer, due to Mr. Stolfer's death. However, the caption has not yet been changed to reflect these substitutions.

²10-301.13 Hunting, firearms and fishing

A. No person shall hunt, trap or pursue wildlife in any park at any time, except in connection with bona fide recreational activities and with the approval of the Director by general or special order or rules or regulations.

B. No person shall use, carry or possess firearms of any description, or air rifles, spring guns, bow and arrows, slings or any other form of weapons potentially inimical to wildlife and dangerous to human safety, or any instrument that can be loaded with and fire blank cartridges, or any kind of trapping device in any park.[1]

C. No person shall shoot or propel any object from any of the foregoing into park areas from beyond park boundaries or while in a park.

³ 3-355.2 Emergency measures

Whenever the Mayor declares that a state of emergency exists, the following emergency prohibitions shall thereupon be in effect during the period of said emergency and throughout the City:

(1)The sale or transfer of possession, with or without consideration, the offering to sell or so transfer and the purchase of any ammunition, guns or other firearms of any size or description.

(2)The displaying by or in any store or shop of any ammunition, guns or other firearms of any size or description.

(3)The possession in a public place of a rifle or shotgun by a person, except a duly authorized law enforcement officer or person in military service acting in an official performance of his or her duty.

B. The Mayor may order and promulgate all or any of the following emergency measures, in whole or in part, with such limitations and conditions as he or she may determine appropriate; any such emergency measures so ordered and promulgated shall thereupon be in effect during the period of said emergency and in the area or areas for which the emergency has been declared:

(8)The prohibition of the possession in a public place or park of weapons, including but not limited to firearms, bows and arrows, air rifles, slingshots, knives, razors, blackjacks, billy clubs, or missiles of any kind.

3-345.4 ("Lost or Stolen")⁴, 3-345.2 ("Discharge")⁵, and 3-345.1("Minors")⁶ are noncompliant and preempted by the Uniform Firearms Act (UFA) at 18 P.S. § 6120.

Plaintiffs brought this matter on January 16, 2015, seeking declaratory and injunctive relief regarding the above five Ordinances. Specifically, Plaintiffs assert that these ordinances violate the Uniform Firearms Act (18 Pa. C.S.A. §6120) and argue that state law preempts the city ordinances with respect to firearms. Because Plaintiffs asserted claims pursuant to 42 U.S.C.A. §1983, Defendants removed this case to the United States District Court for the Middle District of Pennsylvania on February 13, 2015. Thereafter, on March 24, 2016, the Honorable Yvette Kane entered an Order dismissing Plaintiffs' Complaint without prejudice due to lack of standing. Plaintiffs were given an opportunity to amend their Complaint but failed to do so. As a result, on April 25, 2016, Judge Kane entered an Order remanding Plaintiffs' Complaint to the Court of Common Pleas for Dauphin County.

Following remand, Defendants filed Preliminary Objections to Plaintiffs' remanded Complaint on May 16, 2016, alleging, among other matters, that Plaintiffs lack standing. We ultimately determined that Plaintiffs lacked standing to challenge the subject ordinances and dismissed Plaintiffs' Complaint by Order dated October 9, 2018. Plaintiffs appealed this dismissal to the Pennsylvania Commonwealth Court.

On September 12, 2019, the Pennsylvania Commonwealth Court issued a decision wherein they determined that Plaintiffs had individual standing to challenge the legality of the Discharge Ordinance, the Lost/Stolen Ordinance, and the Park Ordinance. The Commonwealth Court also found that Firearm Owners Against Crime (hereinafter "Plaintiff Association") had associational standing to challenge the Minors Ordinance. However, the

⁴ 3-345.4 Lost and stolen firearms

A. Any person who is the owner of a firearm that is lost or stolen shall report the loss or theft of that firearm to an appropriate local law enforcement official within 48 hours after discovery of the loss or theft

B. For the purpose of this section, the term "firearm" shall be defined as any pistol or revolver with a barrel length less than 15 inches, any shotgun with a barrel length less than 18 inches or any rifle with a barrel length less than 16 inches, or any pistol, revolver, rifle or shotgun with an overall length of less than 26 inches. The barrel length of a firearm shall be determined by measuring from the muzzle of the barrel to the face of the closed action, bolt, or cylinder, whichever is applicable.

⁵ 3-345.2 Discharging weapons or firearms

No person shall fire any cannon, gun, rifle, pistol, toy pistol, or firearms of any kind within the City, except at supervised firing ranges in bona fide educational institutions accredited by the Pennsylvania Department of Education and with the approval of the Mayor or Chief of Police, or at a firing range operated by the Bureau of Police.

⁶ 3-345.1 Possession of firearms by minors

It shall be unlawful for any minor under the age of 18 years to have in his or her possession, except in his or her place of residence, any firearm, flobert rifle, air gun, spring gun or any implement which impels with force a metal pellet of any kind, unless said minor is accompanied by an adult.

Commonwealth Court found that Plaintiffs had not alleged sufficient facts with respect to the Emergency Ordinance and therefore lacked standing to challenge that Ordinance.

The Defendants appealed the Commonwealth Court decision that Plaintiffs had standing to challenge the legality of the Discharge Ordinance, the Lost/Stolen Ordinance, the Parks Ordinance, and the Minors Ordinance to the Pennsylvania Supreme Court. Plaintiffs did not appeal the determination that they did not have standing to challenge the Emergency Ordinance. On April 28, 2021, the Pennsylvania Supreme Court granted the Petition for Allowance of Appeal on the sole issue, as stated by Defendants, of “Whether the Commonwealth Court’s decision to grant Plaintiffs, who have not been cited under the City of Harrisburg’s gun control ordinances and for whom any harm is remote and hypothetical, individual and associational standing to challenge the City of Harrisburg’s gun control ordinances, directly conflicts with this Court’s jurisprudence.”

Thereafter, on October 20, 2021, the Pennsylvania Supreme Court issued a decision wherein they held that Plaintiffs have individual and associational standing to seek declaratory relief from the Discharge, Parks, Lost/Stolen, and Minor Ordinances. Specifically, the Pennsylvania Supreme Court held that Plaintiffs have standing to bring this declaratory judgment action “before the City enforces the challenged ordinances against them.” Firearm Owners Against Crime v. Papenfuse, 261 A.3d 467, 470 (Pa. 2021). The Court found that the Plaintiffs “must choose to comply with the ordinances and forfeit their firearms rights, to violate the ordinances and risk criminal prosecution, or to avoid being present in the City.” Id. at 490. Therefore, the Court concluded that the Plaintiffs are aggrieved by the ordinances and are “the proper plaintiffs to pursue this declaratory judgment action.” Id. The Pennsylvania Supreme Court did not rule on whether the Plaintiffs had standing to challenge the Emergency Ordinance since Plaintiffs did not file a cross-appeal of the Commonwealth Court’s decision.

Following the decision of the Pennsylvania Supreme Court, this Court allowed Plaintiffs the opportunity to file an Amended Complaint to attempt to plead sufficient facts to establish standing to challenge the Emergency Ordinance. On November 7, 2022, Plaintiffs filed an Amended Complaint alleging that the individually named Plaintiffs had been present in the Harrisburg area during three occasions where States of Emergency were declared by city officials.

Defendants filed Preliminary Objections to Plaintiffs’ Amended Complaint, asserting that Plaintiffs had not sufficiently alleged standing to challenge the Emergency Ordinance. We heard oral argument on Defendants’ Preliminary Objections on July 17, 2024, but waited to rule on same until after we held a Hearing on Plaintiff’s Motion for Permanent Injunction, which occurred on August 26, 2024. Both matters are ripe for disposition.

As to Defendants’ Preliminary Objections, we adopt the reasoning set forth by the Pennsylvania Commonwealth Court in this matter. See Firearm Owners Against Crime v.

City of Harrisburg, 218 A.3d 497, 509 (Pa.Cmwlth. 2019), *aff'd sub nom. Firearm Owners Against Crime v. Papenfuse*, 261 A.3d 467 (Pa. 2021) ("the State of Emergency Ordinance does not currently impose any duty on the Individual Plaintiffs or any restriction on their ability to use or possess firearms within the City."). Even with the additional facts that Plaintiffs included in their Amended Complaint, we find that Plaintiffs still failed to allege any facts to show that the Emergency Ordinance "directly and immediately affects, regulates, or impairs the Individual Plaintiffs' possession, use, or enjoyment of their firearms." *Id.* at 510.

Plaintiffs have alleged that they were present in the City of Harrisburg during three emergency declarations: 1) in September of 2011 a State of Emergency was declared by then Mayor Linda Thompson as a result of a flood in Harrisburg; 2) in January of 2016, a State of Emergency was declared by then Mayor Eric Papenfuse as a result of a snowstorm; 3) in March of 2020, a State of Emergency was declared by then Mayor Eric Papenfuse as a result of Covid-19.⁷ However, there is no evidence that the Emergency Ordinance was ever enacted during these Declarations of Emergency. As noted by the Superior Court, the Emergency Ordinance is only enacted during extreme circumstances, none of which were present in any of the noted Declarations of Emergency. *See id.* at 509 (the operative provisions of the Emergency Ordinance only become effective if and when the Mayor declares a state of emergency, which is limited to specified extreme circumstances such as when there is a clear and present danger of a riot or other widespread disobedience of the law.)

None of the Declarations of Emergency cited in Plaintiffs' Amended Complaint were declared as a result of a clear and present danger of a riot or other widespread disobedience of the law. There is also no evidence that gun sales or possession of guns was ever curtailed during the 2011, 2016 or 2020 States of Emergency. In fact, there was testimony at the Hearing of this matter that shows that the Emergency Ordinance was not enacted during the 2011 State of Emergency. Specifically, Plaintiff Joshua First testified that he lived in Harrisburg during the 2011 flood. His house flooded, but he remained in his house to protect his property. He discovered people walking along his street who did not live there, so he decided to patrol the street with his firearms to protect his property and the property of his neighbors. He also contacted the police to have them patrol his neighborhood, and he advised the police that he was armed. When the police came to Mr. First's neighborhood, they did not tell him that the Emergency Ordinance had been enacted, and he was not allowed to possess his firearms pursuant to that Ordinance. This shows that the States of Emergency identified by Plaintiffs did not result in an enactment of the Emergency Ordinance.

⁷ There was also testimony at the Hearing of this matter that another State of Emergency had been declared in July of 2024 by current Mayor Wanda Williams as a result of a fire.

For this reason, we find that Plaintiffs have no standing to challenge the Emergency Ordinance as it has never been enacted in the City of Harrisburg.⁸

We next turn to Plaintiffs' Motion for Permanent Injunction as to the Discharge, Parks, Lost/Stolen, and Minor Ordinances.

To justify the award of a permanent injunction, the party seeking relief must establish [1] that his right to relief is clear, [2] that an injunction is necessary to avoid an injury that cannot be compensated by damages, and [3] that greater injury will result from refusing rather than granting the relief requested. However, unlike a claim for a preliminary injunction, the party need not establish either irreparable harm or immediate relief and a court may issue a final injunction if such relief is necessary to prevent a legal wrong for which there is no adequate redress at law.

City of Philadelphia v. Armstrong, 271 A.3d 555, 560 (Pa.CmwltH. 2022) (internal citations and quotations omitted).

Plaintiffs argue that they are entitled to a permanent injunction as to the subject ordinances because they are preempted by UFA. The UFA provides that "[n]o county, municipality or township may in any manner regulate the lawful ownership, possession, transfer or transportation of firearms, ammunition or ammunition components when carried or transported for purposes not prohibited by the laws of this Commonwealth." 18 Pa.C.S.A. § 6120(a). Plaintiffs assert that each of the subject ordinances is preempted by the UFA, and they are entitled to a permanent injunction that enjoins the City of Harrisburg from enforcing the subject ordinances.

Defendants objected to Plaintiffs' Motion for Permanent Injunction based on a statute of limitations defense. Defendants seemingly argue that Plaintiffs would have had to challenge the subject ordinances within two years of the time that they were passed. We disagree with Defendants' argument. These ordinances are still in effect and continue to affect the rights of the individual Plaintiffs and the members of the Plaintiff Association. Furthermore, a statute that is preempted by state or federal law does not become un-preempted simply because no one challenged the law within two years of its passing. For this reason, we reject Defendants' statute of limitations defense.

Defendants also argued that entry of a permanent injunction is premature. Defendants state that they require further information on the individuals and entities bringing the claim, and they should be permitted to engage in discovery before the Court determines whether Plaintiffs are entitled to a permanent injunction. Defendants further claim that both

⁸ We note that, if the Emergency Ordinance is ever enacted in the City of Harrisburg, it would be preempted by the UFA as it pertains to the regulation of the lawful ownership, possession, transfer, or transportation of firearms.

parties have a need for additional facts to establish a foundation for the Plaintiffs' alleged right to relief or lack thereof. However, the Pennsylvania Supreme Court has conclusively determined that Plaintiffs have standing to challenge the subject ordinances under a traditional standing analysis based on allegations that: 1) Plaintiffs live in Harrisburg, work in Harrisburg or travel to Harrisburg; 2) lawfully possess firearms; 3) are licensed to carry a concealed firearm; and 4) fear criminal prosecution under the ordinances. Firearm Owners Against Crime v. Papenfuse, 261 A.3d 467, 487 (Pa. 2021).

Each of these facts was credibly testified to by the witnesses at the Hearing for permanent injunction. Thus, the credible testimony shows that the individually named Plaintiffs and the Plaintiff Association all have standing to challenge the subject ordinances pursuant to the Pennsylvania Supreme Court Opinion. Defendants were unable to articulate what discovery was still needed to defend against Plaintiffs' Motion. Furthermore, it is not unheard of for a motion for permanent injunction to occur during the pleading stage when the injunction involves an argument that an ordinance is preempted by the UFA. See Armstrong, 271 A.3d at 558. (Defendant filed a motion for permanent injunction during the pleading stage, which was denied after a hearing. Defendant appealed this decision to the Pennsylvania Commonwealth Court who reversed the trial court's decision and ordered that a Permanent Injunction be entered). For this reason, discovery on Plaintiffs' Motion would only serve to further delay this matter, which has been ongoing since 2015.

Regardless of the above, precedential case law is clear that the Lost/Stolen and Parks Ordinances are both preempted by the UFA. See Armstrong at 565 (The Commonwealth Court found that an ordinance that was similarly worded to the Lost/Stolen Ordinance was preempted by the UFA)); and Firearm Owners Against Crime v. Lower Merion Twp., 151 A.3d 1172, 1179 (Pa.Cmwlth. 2016) (the Commonwealth Court found that an ordinance that was similarly worded to the Parks Ordinance was preempted by the UFA). As such, we find that the subject Parks and Lost/Stolen Ordinances are preempted by the UFA and are, therefore, unenforceable.

There does not appear to be clear precedential law as to any ordinances that are similarly worded to the instant Minors Ordinance. However, the Minors Ordinance regulates the possession of firearms by minors, which is also regulated under state law. See 18 Pa. C.S.A. §6110.1. The City of Harrisburg prohibits a minor from possessing a firearm unless they are accompanied by an adult. The State also prohibits a minor from possessing a firearm, unless they are accompanied by an authorized adult for an authorized purpose, or they are hunting or trapping. Id. Accordingly, the Minors Ordinance is preempted by the UFA.

With respect to the Discharge Ordinance, it is surmisable that the purpose of the Discharge Ordinance, enacted in 1971, was to protect public safety by prohibiting the indiscriminate shooting of firearms within the City of Harrisburg. Target practice in the

backyard or vertical discharge of firearms in celebration, while safer in rural portions of Dauphin County, may be dangerous within the city limits of Harrisburg.

However, in the case of Firearm Owners Against Crime v. City of Pittsburgh, 276 A.3d 878 (Pa.Cmwlt. 2022), the Commonwealth Court determined that any ordinance regarding the discharge of firearms in public was preempted by the UFA. Id. at 894. The Commonwealth Court noted that prior cases “have construed the preemptive scope of section 6120(a) of the UFA as transcending the simple acts of ‘ownership, possession, transfer or transportation’ and encompassing the actual ‘use’ or ‘discharge’ of firearms.” Id. at 892. For this reason, although we understand the safety concerns of the City, we are constrained to find that the Discharge Ordinance is also preempted by the UFA.

Since we have found that the Parks, Lost/Stolen, Minors, and Discharge Ordinances are all preempted by the UFA, the Plaintiffs have established a clear right to relief to enjoin the enforcement of the subject ordinances. Plaintiffs must also show “that an injunction is necessary to avoid an injury that cannot be compensated by damages.” Armstrong, 271 A.3d at 560. When a city ordinance violates constitutional statutory law, injury that cannot be compensated by damages has been established. SEIU Healthcare Pennsylvania v. Com., 628 Pa. 573, 594, 104 A.3d 495, 508 (2014). The subject ordinances are preempted by the UFA and thus violate statutory law. For this reason, we find that Plaintiffs have shown that an injunction is necessary.

Additionally, Plaintiffs must show “that greater injury will result from refusing rather than granting the relief requested.” Armstrong, 271 A.3d at 560. The unlawful regulation of the lawful possession of firearms presents an irreparable injury. Dillon v. City of Erie, 83 A.3d 467, 474 (Pa.Cmwlt. 2014). The subject ordinances constitute unlawful regulation of the lawful possession of firearms. A greater injury will occur by refusing to grant the injunction because the subject ordinances are unenforceable. Id. If the City were to attempt to enforce any of these ordinances, those citations would be dismissed as preempted by the UFA. As such, we find that greater injury will occur by refusing to grant the injunction, and Plaintiffs are entitled to a permanent injunction as to enforcement of the subject ordinances.

For the foregoing reasons, we enter the following Order:

ORDER

AND NOW, this 27th day of September, 2024, upon consideration of Defendants’ Preliminary Objections to Plaintiffs’ Amended Complaint and Plaintiffs’ Motion for Permanent Injunction, for the reasons set forth in the attached Memorandum Opinion, it is hereby ORDERED as follows:

Defendants’ Objection to Plaintiffs’ Amended Complaint is GRANTED. We find that Plaintiffs do not have standing to challenge Ordinance §3-355.2 A (1), (2), (3), and B (8)

Firearm Owners Against Crime, Kim Stolfer, Joshua First, and Howard Bullock v. City of Harrisburg, Mayor Eric Papenfuse, and Police Chief Thomas Carter

(Emergency measures) as this ordinance has never been enacted in the City of Harrisburg during a time that any of the individually named Plaintiffs or members of Plaintiff Association were residing in or traveling to the City.

Plaintiffs' Motion for Permanent Injunction is GRANTED. The City of Harrisburg is enjoined from enforcing ordinances §10-301.13 B and C (Parks – Hunting, firearms and fishing); §3-345.1 (Possession of firearms by minors); §3-345.4 (Lost and stolen firearms); and §3-345.2 (Discharging weapons or firearms) as these ordinances are preempted by the Uniform Firearms Act.
