**EX PARTE ORDER FOR SERVICE OF PROCESS BY PUBLICATION**

At a session of Court held in the Courthouse in Pontiac, Oakland County, Michigan, on 10/4/2023

PRESENT: Honorable Michael Warren  
CIRCUIT COURT JUDGE

Plaintiff Addon Technologies Inc. filed a Verified Ex Parte Motion for Service of Process in the discretion of the Court. After reading the Motion and the accompanying affidavit and

11/9/2023

Vol. 116, Issue 6

exhibits, the Court finds that Plaintiff has shown that service of process cannot reasonably be made on Defendant Brain Bee LLC by the methods provided in MCR 2.105(A), in that Plaintiff has demonstrated that diligent attempts to locate Defendant and Defendant's current address and to serve Defendant by personal delivery and by registered mail have not been successful.

The Court further finds, pursuant to MCR 2.105(J), that service of process by publication is the best available method of service of process reasonably calculated to give Defendant actual notice of the proceedings and an opportunity to be heard.

IT IS ORDERED:

1. Plaintiff may serve process on Defendant by publishing the following notice once each week for a period of three consecutive weeks in a newspaper, as defined in MCR 2.106(F), that is published in the county of Defendant's last known address:

"An action seeking money damages regarding a business service provided by Plaintiff Addon Technologies Inc. in 2022, has been commenced by Plaintiff Addon Technologies Inc. against Defendant Brain Bee LLC in the Oakland County Circuit Court for the State of Michigan, and Defendant must answer or take other action permitted by law within 28 days after the last date of publication. If Defendant does not answer or take other action within the time allowed, judgment may be entered against it for the relief demanded in the complaint"

2. Plaintiff must mail a copy of this order, along with a summons and a copy of the complaint, by registered mail, return receipt requested, to Defendant at its last known business address.
