This is to inform you of an important option that may be available to you under Pennsylvania law. Act 101 of 2010 allows for an enforceable voluntary agreement for continuing contact or communication following an adoption between an adoptive

parent, a child, a birth parent, and/or a birth relative of the child, if all parties agree and the voluntary agreement is approved by the court. The agreement must be signed and approved by the court to be legally binding. A birth relative is defined only as a parent, grandparent, stepparent, sibling, uncle or aunt of the child's birth family, whether the relationship is by blood, marriage or adoption. This voluntary agreement may allow you to have continuing contact or communication, including, but not limited to: Letters and/or emails; Photos and/or videos; Telephone calls and/or text messages; or Supervised or unsupervised visits. If you are interested in learning more about this option for a voluntary agreement, contact Casey P. Mullen, Esquire or your attorney, if you have one.
