**NOTICE TO NATURAL PARENTS
PENNSYLVANIA ADOPTION
MEDICAL HISTORY REGISTRY**

This is to inform you about an adoption law provision relating to medical history information. As the birth parent of a Pennsylvania born child who is being, or was ever adopted in the past, you have the opportunity to voluntarily place on file medical history information. The information which you choose to provide could be important to this child's present and future medical care needs.

The law makes it possible for you to file current medical information, but it also allows you to update the information as new medically related information becomes available. Requests to release the information will be honored if the request is submitted by a birth child 18 years of age or older. The law also permits that the court honor requests for information submitted by the adoptive parents or legal guardians of adoptees who are not yet 18 years of age. All information will be maintained and distributed in a manner that fully protects your right to privacy.
