APPEARANCE DOCKET

The Berks County Law Journal learned on Oct. 6 that dockets were unavailable for publication. County personnel who previously compiled document information and provided that information to our Law Journal no longer have access to this information due to the launch of the Prothonotary's new e-filing system. On Oct. 9, Berks County Prothonotary Jonathan Del Collo informed us that his office is working with the e-filing system vendor, Paperless Solutions, to resolve this issue. No timeline has been provided regarding when the law journal will receive access to docket information. Therefore, we regret that the Appearance Docket will not be published until further notice.
